

Loop Corner

PRODUCT SKU: #171

OVERVIEW

Loop Corner is a new member of the Loop family. The 90-degree module combines with Loop Line to delimit a ball court or a sandbox while also providing seating. Loop Corner is also designed for use as a number of differently shaped benches. For example 4 modules can be combined to create a square, while 3 Loop Arc modules form a circle. **Combinations** Form Loop Corner like an O (square, 4 modules), like a C (2 modules), or like a S (2 or more modules). Also combine Loop Corner with Loop Line and Loop Arc.

SPECIFICATIONS

- One module: L1400 x B1400mm x H400mm, width (cross section): 400mm
- Volume: 250 litres
- 3-4 seats inside / 4-5 seats outside
- UV and Weather resistant moulded polyethylene 6-7mm thick
- Textured/granulated surface which makes it less slippery
